

To John Bruce

30 May 39

My dear Sir

As I send this not
by the post I inclose for
you as Treasurer five
sovereigns thus to be dis-
tributed

For W & K Olley for
this year. Vlast 2.0.0

For W & G Olley for
this year. — 1.0.0

For W S. Price ^{for this year} — 1.0.0

For W S. F. Pigot for
last year — 1.0.0

5.0.0.

Perhaps you will be

good enough ^{quite} at your con-
venience to send me the
receipts & I will forward
them.

If I think so much
of the little trouble offer-
winding the subscriptions
of a few friends, what
must you think of all
your trouble as Treasurer.

I am afraid that your
services & annoyances
are not considered as
they ought.

It strikes me that
you must have some
assistance soon in the
shape of a paid secretary
to do the drudgery under

your superintendence. Of
this hereafter. At present
I am

Yrs very sincerely
